

Letter of Interest

Grants to Green is a program assisting qualified non-profit agencies in their efforts to reduce energy and water consumption and switch to renewable energy. The program works with grant recipients to reduce expenditures on utilities allowing you to deploy more of your organization's resources on your stated mission.

If you would like to be considered as a candidate for support through Grants to Green's pilot phase, which will launch in the fall of 2017, please complete the Letter of Interest below.
