

APRIL 19 - 24, 2021

IT'S #TALLULAHTIME

## *Toasting with Tallulah*

This year The Women's Philanthropy Society signature fundraising event is *going virtual . . . with a twist!* We invite you to invest in this year's focus area of education by celebrating Toasting with Tallulah with the leading ladies in your life as together we support women and children in our community.

# Toasting with Tallulah

## THE EVENT

Gather the leading ladies in your life together in your own backyard.

Enjoy a girls' night in . . . with a purpose while supporting the work of the Women's Philanthropy Society to leave a "legacy of love" for women and children in our community.

## THE AUDIENCE

Toasting with Tallulah attracts girlfriends, mothers, sisters, daughters, and other starlets interested in supporting innovative solutions to systemic issues facing women and children in our community.

## THE REACH

Investors will receive exposure to 20,000+ followers across the Community Foundation's online and social platforms, which include our website, Facebook, Twitter, Instagram, LinkedIn, and Community Foundation eNewsletter.

## THE RESULTS

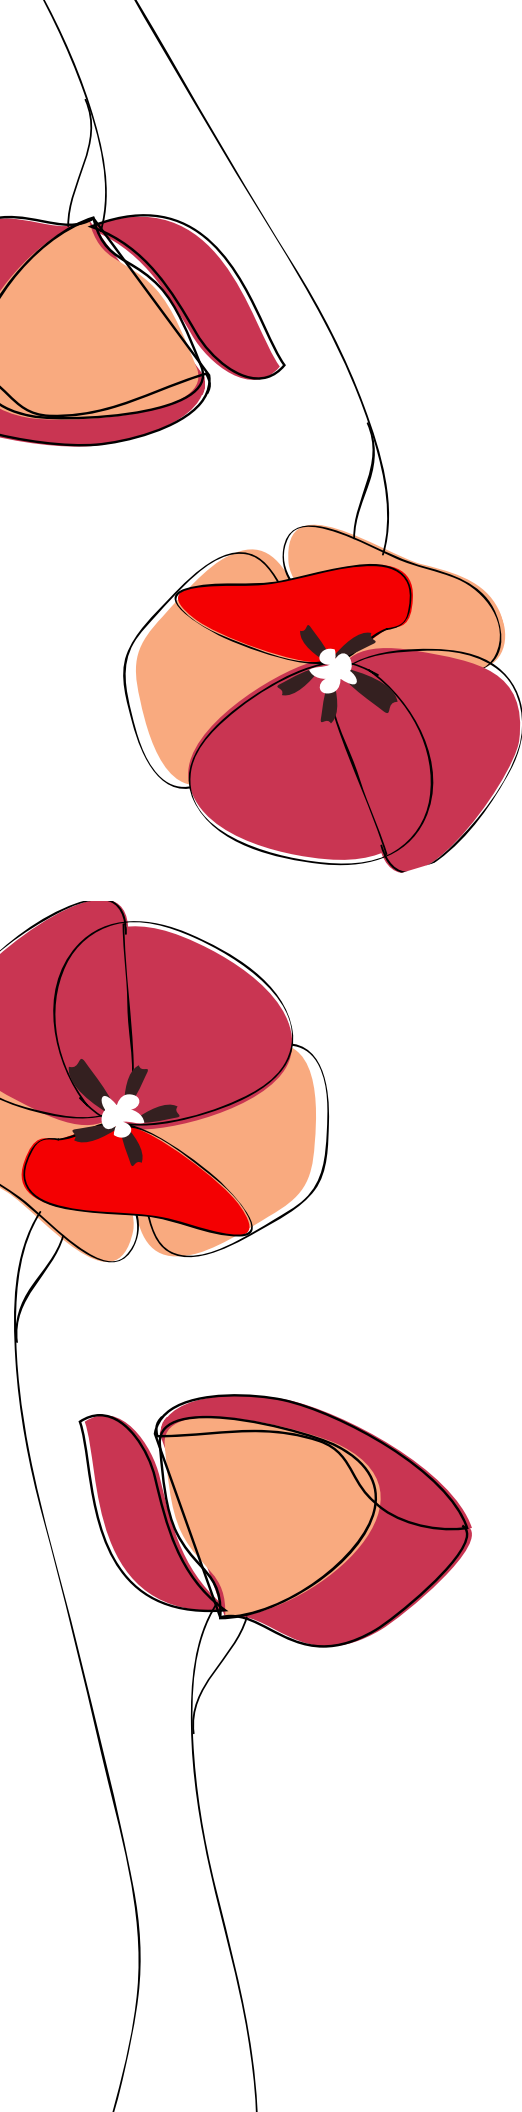

In addition to reaching thousands of local community, business, and nonprofit leaders, your sponsorship helps mobilize the power and passion of local women creating a long-lasting, positive difference in our community.

## WOMEN'S PHILANTHROPY SOCIETY

The Women's Philanthropy Society (WPS) is an initiative of the Community Foundation of Greater Huntsville created for women driven to make a positive difference in the lives of women and families across a broad spectrum of issues that affect the Quality of Life in our community.

Each year the WPS chooses a focus area, solicits community input, and recommends annual grant recipients.
